

## Spring 2015

Spring is right around the corner! We are eager to welcome in the warm breezes as they start to sweep across the bay. It is time for you to start thinking about preparing your boat for the upcoming season, and we would be more than happy to help you get her ready.

We have attached our Spring commissioning checklist to help you plan for the season ahead. These forms are also on our websites listed below. If you would like for us to provide you with any services please email us your completed Spring commissioning form to [missy@chesapeakeboatworks.com](mailto:missy@chesapeakeboatworks.com) for work at our Fishing Bay location and [daniele@stingraypointboatworks.com](mailto:daniele@stingraypointboatworks.com) for our Stingray Point yard.

If you have not heard, the Farinholt's have purchased the Marina, formally known as Fishing Bay Harbor Marina, located next to our Chesapeake Boat Works yard. This purchase will bring together all of our capabilities and offerings on Fishing Bay. We are already working on a list improvements to the facilities and are extremely excited for this upcoming boating season. Please contact India Stuart (Dockmaster) at Fishing Bay Marina for more information. [info@fishingbay.com](mailto:info@fishingbay.com) 804-776-6800.

Stingray Point has the new 55 ton Travel Lift and 24'+ wide haul-out well in full swing. With this new addition, they have been hauling many catamarans and even the 2 local car ferries owned and operated by The Virginia Department of Transportation(VDOT). With these vessels and other large motor cruisers, Stingray Point has been busy servicing and maintaining many interesting and unique vessels. The 45 ton hydraulic yard trailer has been a blessing, being able to move boats around more efficiently in the yard as well as in and out of ours indoors facilities. Come see all the new toys at Stingray Point!

Warm wishes and happy sailing,

Rick, Jon, Lee Farinholt, and crew
